

# Bushels for Books

Providing accurate agriculture books to educate today's youth

The Oklahoma Farm Bureau Women's Leadership Committee has joined forces with the Oklahoma Farming and Ranching Foundation to help provide accurate agriculture books to schools across our state.

In order to be eligible for consideration, a teacher from a school can submit an application for a specific grade level OR a school librarian can submit an application for books that range multiple grade levels. There can only be one application submitted per school. Most books are elementary age appropriate.

## APPLICATIONS ARE DUE OCTOBER 23, 2017!
